Subject: Budget Message – A Summary of the FY 2020 Proposed Budget

Date: May 1, 2019

I am transmitting with this Budget Message my Proposed Budget for Fiscal Year 2020. I recommend the City Council adopt the Proposed Budget as the “Tentative Budget”, initiating a period for public comment. The City Council can revise the Tentative Budget before adopting a “Final Budget”—presumably in the June 18th City Council meeting. As required by State law, the City Council will hold a public hearing June 4th on the Tentative Budget prior to adoption of the “Final Budget”.

Overview of Proposed Budget

My Proposed Budget for the fiscal year beginning July 1, 2019 (known as FY 2020) reflects a balanced budget that shows significant progress toward funding key services provided by the City including streets, water, parks, drainage infrastructure and replacing and repairing the aging fleet and buildings. Additionally, the recruiting, retention, and training of productive employees is a priority to maintain knowledgeable, qualified staff to maintain the high level of service expected by residents and business. Finally, this budget provides the necessary funding for a small recreation program, traditional public events, maintaining our theater, and continued enhancement of the historical Whitaker home. The amount of property tax attributed to the rate increase passed a few years ago is continuing to be used to fund additional street maintenance and attract and retain quality police officers.

Last year, the City acknowledged the immediate issues with deferring the replacement of large equipment and decided to fund the first in a series of annual investments to replace equipment in the Streets Department. I have included in the FY 2020 budget the continuation of this investment. In addition, I will be asking staff to study alternative purchasing options to maximize the City’s investment so we can realize a dependable fleet in a shorter period of time with a minimal impact to the budget.

Due to the City’s improved financial position and working with the Department Directors, we were able to find enough savings to fund an additional police officer and an accounting professional to help with the increased workload. Of note this past year, the City Council commissioned Personnel Systems and Services to conduct a compensation study. Their scope of work included updating the job descriptions and salary ranges for all permanent employees of

the City. On March 19, 2019, the City Council held a public hearing on and adopted the new salary ranges based on Personnel Systems and Services recommendations. I have included in this budget an increase to wages of about 6.5% in all funds. Additionally, the budget includes a 1% to allow Department Directors the discretion within their own departments to modify wages in an effort to reduce issues of compression, pay below the new minimums, perceived inequities as well as allow for merit increases.

The Proposed Budget includes significant funding for capital projects, including \$1.5 million in water system and drainage improvements and \$1.4 million for road maintenance projects including \$100,000 for sidewalk maintenance. The fields and pavilion included in the new expansion to the Community Park are fully operational this year. The final phase, including a restroom and playground, awaits funding from park impact fees which will probably not be collected for a few more years. Island View Park will be renovated beginning the end of FY 2019 and completed in FY 2020. A federal grant will help fund the first phase. The City will be matching this grant using RAP Tax funds and is currently looking into financing options to complete phase II. The timing, financing mechanisms, and estimated costs have not been finalized yet.

In the Enterprise Funds, the Proposed Budget assumes an increase in solid waste rates. Wasatch Integrated Waste – our waste management district – announced a \$2.00/can increase for solid waste effective July 1, 2019. Staff will present changes to the sanitation fee along with any other changes to the consolidated fee schedule along with the final budget.

General Fund Revenues

The three largest sources of tax revenue for the General Fund are Sales Tax, Property Tax, and the Energy Sales and Use Tax (referred to as “franchise tax” for power and natural gas in the budget document). Sales Tax revenue in the current fiscal year is estimated to be 7% higher than the prior year, which is stronger than anticipated. In my FY 2020 Proposed Budget, I am projecting sales tax revenues to increase 3% over the estimated amount for FY 2019. I anticipate we will receive more than 3% and hope to make it a fiscal practice to budget conservatively anticipating a possible downturn in the economy. If the economy continues to expand, the balance of the unspent funds will be transferred to the General Fund reserves which is restricted by State to be no less than 5% and no more than 25%. Currently, the General Fund Reserve fund balance is 13.1%. I do not expect much increase in property taxes collected for FY 2020 as new development slowed significantly in both FY 2018 and 2019. At this time, we are not recommending the Truth-in-Taxation process to increase the property tax revenue. However, we propose having a strategic discussion next fiscal year regarding the City’s financial sustainability, service levels, increasing costs, and the City’s revenue portfolio.

The other major tax revenue source in the General Fund is the **Energy Sales and Use Tax**. This tax (6%) is applied to the monthly bills for electric power and natural gas. The amount of revenue from this source fluctuates somewhat from year to year depending on the collective energy usage within the community, but generally speaking, has remained relatively level for

several years. By contrast, **municipal telecommunications tax revenue** has declined as telephone users abandoned traditional land lines in favor of cell phones and internet phone service.

Transportation Funding

The “Transportation Projects Fund”, created in FY 2018 is on track to maintain the quality of its streets at this time. Sources of revenue include gasoline tax revenue, the County imposed ¼ cent “transportation sales tax”, and the City Council’s most recent property tax rate increase. As a result, the FY 2020 Proposed Budget includes \$1.4 million for pavement maintenance. Last year as a part of the budget process, the City Council identified correcting sidewalk faults as a priority and approved \$100,000 towards correcting these faults. The City Council provided direction to Staff to fund the sidewalk replacement and repair program at least 5% each year from the Transportation Fund. The FY 2020 Proposed Budget includes \$100,000 again to continue to address this issue. Daily street maintenance activities—such as pothole patching, snowplowing, streetlights, etc. continue to be budgeted in the General Fund.

Park Improvements Funding

This past fiscal year and for FY 2020, the main park projects for the City have been the expansion of the Community Park and renovation and improved amenities at Island View Park.

The expansion of the Community Park is 100% related and has been completed due to growth. As such, funding of the expansion can be done completely with park impact fees from new development. Park impact fees have been insufficient to fully fund the expansion as development has slowed. To make up the difference, two funding sources were used to complete the expansion: 1) Recreation, Arts & Parks (RAP) Tax; and 2) a lease agreement with the South Davis Recreation District (SDRC).

In November 2016, Centerville voters approved the renewal of the RAP Tax, a 1/10th cent sales tax. This renewal became effective April 1, 2016. Prior to that date, 90% of the RAP Tax revenue was used to pay debt service for the Davis Center for the Performing Arts, home of CenterPoint Legacy Theatre. The current City Council has decided to use RAP Tax revenue under this new 10-year authorization for the following purposes:

- 85% for parks
- 5% for Whitaker Museum building and grounds improvements
- 5% for maintenance of the Performing Arts Center building
- 5% for purposes to be determined by the Council

The SDRC’s lease agreement provided the City with \$500,000 to finish the park in exchange for priority use of the new sports fields for a number of years. The \$500,000 will be repaid to the District beginning this year and for the next four years from park impact fees (as they become available) and/or RAP Tax revenue. As park impact fees become available, they will repay the RAP taxes borrowed to finish the park expansion.

A \$50,000 donation from the Bill & Sylvia Tingey Family paid for the pavilion located on the expansion site.

The first and possibly second phase of a major renovation of **Island View Park** is scheduled to start in FY 2019 and be completed in FY 2020. Funding for the two phases will be funded partially with a federal grant and matching amount from RAP Tax revenue. As mentioned above, park impact fees from developers has slowed more than projected and repayment of RAP tax has created a cash flow issue within the RAP Tax Fund. The City Council is considering short-term financing to fund the gap – pledging future RAP taxes. Right now, the rates on short-term financing are much lower than construction inflation rates. As such, the City Council is considering using the same financing mechanism to fund the gap for phase one to immediately begin work on phase two in an effort to save the City a significant amount in future costs. Currently, the Proposed Parks Capital Improvement Fund shows an estimated cost for completion of both phases.

Enterprise Services and Funding

The City provides drainage utility, culinary water services, and solid waste collection using the enterprise approach. In other words, these services are fully funded with user fees. The Proposed Budget assumes an increase in solid waste rates. Wasatch Integrated Waste – our waste management district – announced a \$2.00/can increase for solid waste effective July 1, 2019. Staff will present changes to the sanitation fee along with any other changes to the consolidated fee schedule along with the final budget.

Drainage Utility – Monthly user fees to maintain the City’s drainage system are known as “drainage utility” and “subsurface drain” fees. The increases adopted in 2015 are providing about \$600,000 per year to fund an ambitious capital improvement/replacement program recommended in the latest update of the Drainage Master Plan. More than \$6 million in drainage projects, mostly replacement of existing drainage infrastructure, is being funded over a 10-year period using a pay-as-you-go approach. The replacement of drainage pipes will be coordinated with street repaving work as much as reasonably possible.

Federal and State storm water regulations now require cities to prevent pollutants from entering the drainage system when washing municipal vehicles and equipment. These pollutants (debris) must be collected and disposed of properly. A 2015 State audit concluded the City needed to improve its compliance with these regulations. One of the proposed uses of Drainage Utility revenue in FY 2020 is the construction of a “washout” or “decant” building for this purpose.

Culinary Water -- The most recent update of the culinary water system capital plan focuses on the replacement of water mains. The older area of the City has many miles of cast iron water mains that are coming to the end of their expected life. Breaks in these pipes cause costly damage to roads and interrupt water service to customers. Staff has coordinated these water main replacements with street repaving/reconstruction plans over the next 20 years so that, as

much as practical, cast iron pipes are replaced at the same time as the street work is done, thereby reducing overall project costs as well as the road damage caused by breaks in cast iron pipes. As previously mentioned, storm drain replacements are also being coordinated with street projects. In addition, staff are working with other utility providers (irrigation, natural gas, etc.) to persuade them to replace their facilities, if needed, at the same time road work is done.

Personnel Costs

I am proposing the addition of two new positions: One additional police officer to address the increased caseload and hire a finance/accounting professional to address deficiencies in the funds and policies within the City. Also, I recommend the Council approve pay raises and fund benefit increases (including medical) similar to the amount approved in FY 2019. The impact to all funds is approximately 6.5% for all related personnel costs. Additional personnel funds will be used by Department Directors in counsel with myself to help reduce issues of compression, employees paid below the new minimums as set forth by the new salary schedule and for merit increases.

The Proposed Budget also includes an amount (~\$30,000) to be used as a personnel contingency to pay for annual and retirement-related cash-out of accrued leave.

Equipment

A table beginning on page x identifies department head requests for equipment (exceeding \$1000) and which of these requests are included in my Proposed Budget.

Long-Term Financial Obligations

The City has the following long-term financial obligations: 1) repayment of water revenue bonds; 2) an annual pledge for UTOPIA; and 3) repayment of bonds issued for construction of the Davis Center for the Performing Arts. The Proposed Budget includes the payments due in FY 2020 for each of these obligations.

Water Revenue Bonds – The City issued water revenue bonds in 2012 for water system improvements. This bond issue included \$2.1 million in new borrowing and refunded the existing debt of \$2.1 million (relating to water system and drainage projects completed earlier). The debt service requirements will be paid entirely from Water Fund revenue and Drainage Utility fees.

UTOPIA – The City began paying its sales tax pledge for UTOPIA in January 2010. The following funding sources are being used to pay the annual pledge, which will be \$491,289 in FY 2020:

- **Reimbursement from the RDA Fund for Freedom Hills Park construction.** This park was eligible for funding from the RDA's annual "additional tax increment". Other City funds, however, were used to complete the park sooner; therefore, the RDA's additional

increment—estimated to be \$178,000 in FY 2020—flows to the City as repayment and is being used for the UTOPIA obligation.

- **General Fund revenue.** The remaining \$313,289 needed to pay the FY 2020 pledge amount comes from General Fund revenue.

See Capital Projects--UTOPIA Fund for the budget relating to the UTOPIA annual pledge payment.

Davis Center for the Performing Arts – Construction of the \$14.3 million regional performing arts facility was completed in 2011 and is owned by the Redevelopment Agency of Centerville. Debt service for this facility has been paid from four sources: 1) RAP tax approved by voters in Centerville and Bountiful; 2) RDA tax increment (i.e., property taxes from the businesses in the Redevelopment Project Area); 3) Davis County tourism taxes; and 4) private donations. The payment of this debt is shown in the Debt Service Fund section of the Proposed Budget under the category of “Sales Tax Revenue Bonds – 2009”. Although sales taxes were pledged as the security for these bonds, debt service has been paid entirely from the sources identified above. As of April 1, 2016, RAP Tax revenue is no longer being collected for this purpose. The annual debt service amount dropped dramatically from \$1,657,088 in FY 2016 to \$593,012 in FY 2017 and will be \$592,963 in FY 2020. The last payment will be paid with RDA tax increment next fiscal year FY 2021.

Redevelopment Agency

The Centerville Redevelopment Agency (RDA) is a separate legal entity created under State law for the purpose of assisting in the redevelopment of under-developed areas in the City. The City Council serves as the RDA Board of Directors. The RDA's Budget is included in the total Budget document, but is subject to its own public hearing and adoption process.

The source of revenue for the RDA Fund is the property tax “increment” (or increase) created by increasing the taxable property value in each “Project Area” through redevelopment activities. The RDA is entitled to use a portion of the new property tax revenues for legitimate purposes identified in State law – such as public infrastructure (roads, utilities, etc.) in the Project Area, public amenities, financial assistance to developers, and construction or preservation of affordable housing.

The Centerville RDA Proposed Budget is shown immediately after the Centerville City Proposed Budget. The RDA currently has three Project Areas: 1) Parrish Lane Gateway Project Area (a traditional Redevelopment Area); 2) Legacy Crossing at Parrish Lane Project Area (a Community Development Area, or CDA); and 3) Barnard Creek Project Area (also a CDA). The biggest current commitment related to the Parrish Lane Gateway Project Area is for debt service for the Davis Center for the Performing Arts (DCPA), explained earlier in this Budget Message. In each of the project areas, tax increment flows to developers to reimburse them for public infrastructure (roads, water mains, storm drains, etc.) and some private on-site improvements. The RDA also receives monthly rental payments from CenterPoint Legacy Theatre for use of

the DCPA facility. These rental payments are deposited into a restricted account known as the Theatre Reserve Fund, to be used for major repairs to the facility. These monthly payments can also be used to reimburse the RDA for other facility-related expenses that are not the obligation of CenterPoint Legacy Theatre.

Summary of Revenues and Expenditures

A summary for all funds in the Proposed Budget is shown on page 1 of the Proposed Budget detail document, totaling more than \$20 million. Summaries of revenues and expenditures for the General Fund are shown on the following pages of the same document. Proposed General Fund expenditures total \$9.5 million, or 46.4% of all proposed spending.

RESOLUTION NO. 2019-01

A RESOLUTION ADOPTING THE FY 2020 BUDGET OF FUNDS AND ACCOUNTS FOR THE REDEVELOPMENT AGENCY OF CENTERVILLE CITY, UTAH AND PROVIDING AN EFFECTIVE DATE

WHEREAS, in order to conform with the Utah State Code and Accounting Procedures as outlined in the Uniform Accounting Manual, it is necessary to adopt the Redevelopment Agency Budget which states revenues and expenditures for the Fiscal Year ending June 30, 2020.

NOW, THEREFORE, BE IT RESOLVED BY THE REDEVELOPMENT AGENCY OF CENTERVILLE CITY, STATE OF UTAH, AS FOLLOWS:

Section 1. Adoption. The FY 2020 final budget is hereby adopted, including all funds and accounts as shown in the budget format attached and dated June 18, 2019.

Section 2. Severability. If any section, part or provision of this Resolution is held invalid or unenforceable, such invalidity or unenforceability shall not affect any other portion of this Resolution, and all sections, parts and provisions of this Resolution shall be severable.

Section 3. Effective Date. This Resolution shall become effective immediately.

PASSED AND ADOPTED BY THE BOARD OF DIRECTORS OF THE REDEVELOPMENT AGENCY OF CENTERVILLE CITY, STATE OF UTAH, THIS 18th DAY OF JUNE 2019.
