43 from the State that he applied for. This grant will provide funding to UDOT to install sidewalks or
44 painting of bike lanes that are on school routes to make it safer for children going to school.

Mr. Cox researched this grant, and all of the schools in Centerville are on roads that would qualify for this grant. If Centerville receives the grant, bike lanes would be painted on Main Street, along with Share the Road signs would be installed. The City will be notified on December 4th if they received the grant.

BONNEVILLE SHORELINE RACE

Mikael Remington met with Jake Browning who is the director of the Ragnar Relay Race. Mr. Remington discussed with Mr. Browning the possibility of working together to do a race along the Bonneville Shoreline sometime in the spring. Mr. Remington will also talk with the Bonneville Shoreline Race Committee to see if they are willing to combine their race with the Trails Committee race.

At 8:25 p.m., Matt Johnson arrived at the meeting.

The Committee set tentative dates of April 16th or 23rd for this activity. Committee members were asked to come prepared to the next meeting to plan this activity. A representative from the Bonneville Shoreline Race Committee will be asked to attend the next Trails Committee meeting.
