REPORT ON VOLUNTEER PROJECTS COMPLETED OR COMING UP

There are no new volunteer projects to report on at this time. Eagle Scout projects have been postponed until spring. Denise Cox reported she received a letter from Robyn Getz, whose son is interested in making a bike trail above the Freedom Hills Park. It is not known if this is for an Eagle Scout project. Denise will obtain more information on this project.

TRAIL RACE DISCUSSION AND ASSIGNMENTS

Bruce Cox, Parks and Recreation Director, reported he met with the City Manager and City Attorney about the possibility of the Trails Committee combining with the Bonneville Shoreline Race. Mr. Cox was told this will not be possible because of the liability to the City, since money would be charged for this race. It could also cause problems with advertisers or sponsors if a "For Profit" organization advertises for the race, then other organizations would have to be allowed to advertise too. The Trails Committee can volunteer as individuals to help with the Bonneville Shoreline race, but not as representatives of the City.

Brittany Goforth, Bonneville Shoreline Races, said she intends to do a spring race on the Farmington Trails, and a fall race along the Bonneville Shoreline Trail. She will notify the Trails Committee when she determines the dates for these races. The Trails Committee will be doing a race on April 23rd on the Bonneville Shoreline Trail.

RAP TAX

The Trails Committee discussed items they would like to have from RAP Tax revenues. Bike lane signage, and striping of bike lanes were top priorities.

Chair Mark Dimond made a **motion** for the Trails Committee to make a recommendation that the following items be funded by the RAP Tax. The items are:

1. Class II bike lanes be stripped from 1275 North to Parrish Lane on 1250 West.
2. Class III bike lanes with "Share the Road" signs be painted on Chase Lane from the Frontage Road to 400 East.

Matt Johnson seconded the motion, which was passed by unanimous vote (6-0).

The Committee agreed the following projects should take place at a future date.

1. If Lund Lane is developed, biking lanes should be striped on this street.
2. If the old Dick's Market property on Pages Lane is developed and the street widened, bike lanes should be striped on Pages Lane.
3. A zig zag hiking trail should be made from the "V" to the Skyline Trail.
4. Color coded trail markers should be installed on the mountain trails. This could be an Eagle Scout project.

OTHER BUSINESS

Bruce Cox, Parks and Recreation Director, reported the Maverick Gas Station that will be built on Parrish Lane and 1250 West will include restrooms and east side doors. There will be a shelter for bikers to rest, and a bike repair station that will be provided by the RDA. The pedestrian overpass on Parrish Lane should be completed by July.

Mr. Cox reported Centerville did not receive the grant to stripe bike lanes on Main Street and Pages Lane. This grant was to stripe bike lanes for roads where children ride their bikes to schools, which would make it safer for the children. The striping of bike lanes will, hopefully, be part of the Main Street Plan.

NEXT MEETING

The next Trails Committee meeting will be held on February 18, 2016 at 8:00 p.m. in the Administrative Conference Room at City Hall.

MINUTES REVIEW AND APPROVAL

Minutes of the January 21, 2016 meeting minutes were not attached to the agenda. They will be approved at the next meeting.

APRIL RACE DISCUSSION

Flyers for the April Trail Race were displayed. The race will be held on Saturday, April 23 at 8:00 a.m. on the Parrish Trail. This race will also be advertised on the City website, Farmington City website, GPP Fitness, Cross Fit 22, Viewmont High School, Centerville Junior High School, Wasatch Running, DeBoer's Running Store, South Davis Recreation Center, Walking Comfort, and *Davis County Clipper*. A banner will be placed in front of City Hall advertising the race. Denise Cox will contact Scott Higgins to reserve the timer. Bruce Cox will mark the trails with green and orange paint, stakes, and cones, and orange ribbons. He will also make arrangements for a porta-potty, and tables to serve water and refreshments.

BONNEVILLE SHORELINE MEETING

Matt Johnson reported he attended the Bonneville Shoreline Trail meeting recently, along with the Davis County Trails Committee. These Committees discussed their preferred route for the new Bonneville Shoreline Trail. The new trail route will be given to the Forest Service for their recommendations and environmental assessment. The County will have a series of planning meetings for the preferred alignment of the trail, which will be 18 inches to two feet in width. It is preferred no paved trails will be part of the new trail. Davis County has discussed purchasing a section of private property in Centerville to be a part of the Bonneville Shoreline Trail, but discussions with the property owner have stalled.

1 The current Bonneville Shoreline Trail goes below the Haddad property, but the proposed
2 trail will go above Haddad's property and continue south by Charlie Rockwood's property. The
3 Bonneville Shoreline Committee would like to have the new trail completed within two years.

4
5 **FY 2017 BUDGET DISCUSSION**
6

7 Bruce Cox, Parks and Recreation Director, distributed the current FY 2017 Budget. The
8 requested amount is for \$900, which is for races and advertising materials, etc. It is the same
9 amount that has been requested from previous years. The final balance will be provided at the next
10 meeting. The budget runs from July to June, and budget planning will begin in March. The final
11 budget request is submitted to the City Council in April.

12
13 **OTHER BUSINESS**
14

15 Greg Gunnell sent an email message stating that he is unable to serve on the Trails
16 Committee due to work obligations. Kevin Mortensen is interested in serving on the Trails
17 Committee, and Denise Cox has a friend who is also interested in serving.
