33 require working with Pheasantbrook, and the area behind Parrish Square. The Parks Department
34 clears the snow on the urban trail from Parrish Lane to Porter Lane. There is going to be a new
35 trailhead at the Maverick Gas Station that is being constructed on the SW corner of 1250 W and
36 Parish Lane by the Legacy Trail. In the future, the Trails committee would like to see an east/west
37 trail/bike lane connection on Lund Lane that could possibly connect the Frontage Road to the
38 Freedom Hills Park. Mr. Cox suggested a nonpublished Master Plan be developed that shows
39 proposed bike lanes and urban trails that the Planning Commission and City Planners are aware
