33 **REPORT AN ANY VOLUNTEER TRAILS PROJECTS**

34
35 Rick Turner reported two hours were spent surveying the area and prepped at the Freedom
36 Hills Park for an LDS Stake project that Mayor Cutler was going to oversee yesterday. However,
37 the weather caused this project to be cancelled, but it is hoped it can be rescheduled in the future.
38 Mr. Turner also met with a Boy Scout who will be doing his Eagle Scout project at Freedom Hills
39 Park by installing benches or water bars. The Committee discussed if warning signs for snakes
40 should be placed on the Freedom Hills Trail. There was a snake sign at the bottom of the trail, but
41 it is no longer there. The Committee agreed they will not have more snake signs on the bottom
42 trail, as this might deter people from walking on the trail. However, verbiage will be placed inside
43 the kiosk informing park visitors to be aware of snakes.

Mr. Turner recently asked a Boy Scout to survey people at the Freedom Hills Park to see what amenities they would like to see at the park. A service project has been scheduled with Mr. Turner's Boy Scouts on George Haddad's property to pick up litter. Boy Scout Adam Oligschlaeger recently cleaned the Rockwood Trail and trimmed the vegetation. Mr. Turner reported the weber water repair that was recently completed on the road by the waterfall on George Haddad's property has caused erosion and needs to be repaired. Bruce Cox, Parks and Recreation Director, reported he will have this road repaired after the 4th of July.

Rick Turner volunteered to be in charge of the service project list.

Mark Oligschlaeger reported Bob Radke, from Sagebrush Trails & Services LLC, will be coming to view the Centerville hillside on May 24th at 5:00 p.m. to explore the possibility of mountain bike trails. Members of the Trails Committee are welcome to join the field trip if they are available.
