COMMUNITY PARK EXPANSION PROJECT

Centerville City has been working for quite some time with the South Davis Recreation District to cooperatively provide assistance in the development of new playing fields at the Community Park. Under the terms of the proposed Interlocal Agreement, the District will provide \$500,000 in advance funding to the City and the City will construct two new playing fields. The City will be required to pay back the advanced funding over five years in annual \$100,000 payments, plus interest. In exchange for the advanced funding, the District will be granted first priority use rights for the two new playing fields at Community Park for seven years.

Councilman McEwan made a **motion** to adopt Resolution No. 2018-11 approving the Interlocal Agreement for the Lease of Property with Priority Use Rights between Centerville City and the South Davis Recreation District. Councilwoman Fillmore seconded the motion, which passed by unanimous vote (5-0).

City Manager Thacker presented an updated Cash Flow Analysis for Park Improvements Funding (attached) that reflects bid results, Recreation District funding and Council approval of RAP Tax contingency for several purposes. Councilwoman Fillmore made a **motion** to award bids for Phase 3 of Community Park Expansion Project to: Landscape Specialties Inc. in the amount of \$459,350.30 for construction; Mountainland Supply in the amount of \$15,756.41 plus taxes for materials; and Sprinkler Supply Company in the amount of \$6,140.77 plus taxes for materials. Councilman McEwan seconded the motion, which passed by unanimous vote (5-0).

MAYOR'S REPORT

- Mayor Wilkinson reported on a meeting with UDOT Region One Director Kris Peterson.
- The Mayor invited comment from Council members regarding the City's Operational Metrics.

CITY MANAGER'S REPORT

- The Council requested time to review drafted amendments to the Pages Lane General Plan prior to holding a public hearing.
- A Redevelopment Agency work session is scheduled for Wednesday, March 21, prior to the regular Council meeting.
- Councilwoman Mecham suggested posting signs at City trailheads to notify trail users of the upcoming open house regarding potential mountain bike trails. Councilman Ince said he would like public input regarding possible future needs of the hillside property that may conflict with the proposed mountain bike trails. He expressed a desire to make the best possible use of the property. Councilwoman Mecham asked if using grant money to construct the trails would limit possible uses of the property in the future. Councilwoman Fillmore suggested the public comment paper provided at the open house include space to list what citizens would like to see on the hillside if not the proposed mountain bike trails.
- Mr. Thacker encouraged Council members to review City Operational Metrics. Councilman Ince said it would be helpful for department heads to occasionally report to the Council on individual department operational metrics.

- 1 • The Council discussed State Legislative issues affecting Centerville. Mr. Thacker
2 and Ms. Romney stated they feel the Utah League of Cities and Towns (ULCT)
3 represents the best interests of member cities to the Legislature.
