DISCUSSION OF GOALS AND OBJECTIVES FOR THE COMMITTEE

Dailee Gardner said she would like to see more support from the Parks and Recreation Committee given to Bryce King and Bruce Cox. Bryce King, Recreation Director, discussed the activities he has planned for the summer. The activities are as follows:

- Outdoor Adventures: Children pay \$10, and are given a water bottle, and then they do a self-paced outdoor activity, such as hiking, camping, biking, etc. When they accomplish this activity, they receive a sticker.
- Back To School Night for Children: On August 19th, there will be an evening for children with booths, food, and a bike rodeo presented by the Police Department.
- Self-Paced Day: Hike to the swing at Deuel Creek.
- Kickball game.
- Home Run Derby/Top Golf.
- Tug-of-War games.
- Beach volleyball and water balloon volleyball.
- Flash Tournament.
- Indoor miniature golf at City Hall.
- Punt, kick, pass competition.
- Whiffle ball competition.
- Walk-A-Thon on the Bamberger Trail.
- Camp-out in your backyard.
- Community Campout at the Community Park. In the morning, the City Council will cook breakfast.
- Corn Hole and Spike Ball.
- Bike riding on the Legacy Trail.

Mr. King reported baseball is growing, and he has written a grant for batting cages. Attendance at Movies in the Park is dropping. At the last movie, there were only 70 people in attendance. Mr. King suggested a food truck, and other events at the movie to help increase attendance. The Movie in the Park for July 29th is "Will You Marry Me." This is a romantic comedy and a date night activity. A food truck will be at the park. Bryce King will help Dailee Gardner with the Movies in the Park on June 24th. Yard signs advertising the July 29th movie will be given to Committee members to place in their yards to advertise this event. In case of inclement weather, the movies will be shown in the EOC conference room or the City Council room.

BASEBALL AND MOUNTAIN BIKING

Bryce King, Recreation Director, reported there were not enough kids who signed up for baseball, so they were sent to Farmington to participate in their baseball program. South Davis is dropping baseball, as there is not enough manpower to run the program. Mr. King said the summer camps have been smaller than past years. This could be because of COVID.

1 Bryce King would like to do an introductory mountain bike program for children up to the
2 age of 15, when they are then eligible to be on the high school mountain bike team. Mr. King
3 would like to see more events combined into one event, such as the fall events so there is better
4 coordination. He would also to have better coordination of the Movies in the Park with Bountiful
5 City's outdoor movies, so that the movies and date of the movies are not duplicated.

6
7 **RAP TAX**

8
9 Tiffany Rees asked about Jake Smith requesting the Parks and Recreation Committee pay
10 \$500,000 back to the General Fund. This money was borrowed to pay for the Freedom Hills Park
11 updates. Gina Hirst, City Council Liaison, reported Julianne Zollinger discussed this issue at the
12 City Council open comment session. The reason for the loan was when Impact Fees are collected,
13 it has to be used for park upgrades only. There is a specific time frame when the fees must be used.
14 Bryce King said he would like to have a work session with Bruce Cox and the Parks and Recreation
15 Committee to see how the RAP Tax is broken down and used. There is money available through
16 the Outdoor Recreation Grant. The RAP Tax will be completed in five years, and then it will have
17 to be voted on again.
