NEW MEMBER INTRODUCTIONS

Lane Jenkins was welcomed as a new member of the Parks and Recreation Committee. Mr. Jenkins has lived in Centerville his entire life. His father was the Parks and Recreation Director for Bountiful, and he has worked at the South Davis Recreation Center for the last five years.

At 7:00 p.m., Hailey Turner arrived at the meeting.

Sean Hall has lived in Centerville for the past three years. He moved from California, and he lived in Nashville while attending school. Hailey Turner has lived in Centerville for the past six years. She works at the South Davis Recreation Center.

ASSIGNMENTS FOR MOVIES IN THE PARK

Bryce King, Community Service Manager, distributed the March City Newsletter that provides the list of the Movies in the Park for this summer. There will be fewer movies this year, but new amenities have been added as follows:

June 16: Reptile instruction
June 30: Make drive-in box cars

July 14: Fun activities & prizes
July 28: Cinderella & Elsa actors
July 30: Mario Tournament
August 18: Esports & Super Mario

**PLANNING/ASSIGNMENTS OF NEIGHBORHOOD NIGHTS IN
CONJUNCTION WITH PARKS & RECREATION MONTH IN JULY**

Bryce King, Community Service Manager, explained Neighborhood Nights is a plan to do impromptu games in neighborhoods in Centerville to help neighbors interact with each other, and to get to know each other better. The locations of where the Neighborhood Nights will be held will be determined when it is closer to summer, and social media will be used to advertise the location and activities. The challenge is if random people outside of the neighborhood come, and then ask residents if they can use their restroom. This activity will be held near parks, so that restroom facilities are nearby.

**PLANNING/ASSIGNMENTS OF GAME NIGHTS FOR JUNE/JULY @ CITY
HALL**

Bryce King, Community Service Manager, explained Game Nights are where citizens can come to City Hall and play boardgames, Pokémon, etc. Bruce Cox, Parks and Recreation Director, said there are citizens who have been promoting this activity to have a safe place to play games. Parks and Recreation Committee members are not required to be at game night.

**FUNDRAISING DISCUSSION FOR COMMUNITY PARK PICKLEBALL
COURTS**

Bruce Cox, Parks and Recreation Director, reported the City Council approved the construction of eight pickleball courts in the northwest corner of Community Park. G. Brown Design Incorporated is designing the courts. An application for a federal grant in the amount of \$250,000 has been submitted, and should be received by the end of September. The cost of the project is \$500,000. Part of the grant will be used to replace the 30-year-old playground equipment at the park. A concept view of the pickleball courts was viewed by the Committee.

At 7:28 p.m., Tiffany Rees arrived at the meeting.

Mr. Cox reported that regardless if the grant is received or not, the playground equipment will be replaced. Fundraising for private donations would help to offset costs for benches, canopies, and a holder for pickleball rackets. The Committee discussed ideas for fundraising, and how to simplify fundraising by using Venmo and QR codes.

Bryce King will talk to Nate Plaizier, Finance Director, to see if donations could be done through Venmo, and he will set-up a tier donation system. He will work with South Weber on how they worked their fundraising for their pickleball courts. A picture of the South Weber pickleball courts were displayed.

DISCUSSION – PARKS IMPROVEMENTS IDEAS

The Committee discussed small fitness centers for adults that can be installed at parks. The Fitness Court, is an organization that has an APP that displays the parks where fitness centers are located. There are 300 of these fitness centers across America. Several years ago, there was discussion about having a small fitness center at the Porter/Walton Park, but the discussion ended because of COVID. When the playground at the Community Park is updated, perhaps an adult fitness area could be added. Bryce King said he will obtain price quotes on the outdoor fitness center.

NEXT MEETING

The next Parks and Recreation Committee meeting will be held on Tuesday, May 9, 2023 at 7:00 p.m. at City Hall.
