

PARKS AND RECREATION COMMITTEE AGENDA

NOTICE IS HEREBY GIVEN THAT THE CENTERVILLE PARKS AND RECREATION COMMITTEE WILL HOLD A REGULAR MEETING AT 7:00 PM ON MARCH 12, 2024 AT CENTERVILLE CITY HALL CONFERENCE ROOM, 250 NORTH MAIN STREET, CENTERVILLE, UTAH.

Centerville City Parks and Recreation Committee meetings are open to the public, unless otherwise closed for reasons allowed by law. Centerville City Parks and Recreation Committee meetings may be conducted via electronic means pursuant to Utah Code § 52-4-207. In compliance with the Americans with Disabilities Act, individuals needing special accommodations due to a disability may contact the City Recorder at (801) 295-3477, at least 24 hours in advance of the meeting. The Committee reserves the right to modify the sequence of agenda items in order to facilitate special needs or provide greater efficiency.

The full agenda packet and backup materials can be found on the Centerville City website at:

<https://centervilleutah.gov/129/Agendas-Minutes>

A. ROLL CALL

B. MINUTES

Minutes of prior meetings may be reviewed and accepted. Minutes review and approval shall comply with the Centerville City Minutes Approval Policy.

1. Minutes Review and Approval
October 10, 2023 Minutes

C. BUSINESS ITEMS

Business action or discussion items to be considered.

1. Introduction of New Members
2. Pickleball Courts and Playground Equipment updates
3. Movies in the Park discussion
4. Neighborhood Nights discussion

D. ADJOURNMENT

CERTIFICATE OF POSTING

I hereby certify that this notice and agenda was posted at Centerville City Hall, published on the Utah Public Notice Website, and provided to a newspaper or media correspondent in accordance with the requirements of the Utah Open and Public Meetings Act, including, but not limited to, provisions of Utah Code § 52-4-202.

**Jennifer Robison
Centerville City Recorder**

Minutes of the Centerville City Parks and Recreation Committee meeting held Tuesday, October 10, 2023 at 7:00 p.m. in the Centerville City Hall Conference Room, 250 North Main Street, Centerville, Utah.

MEMBERS PRESENT

Adam Alba, Chair
Sean Hall
Lane Jenkins
Tiffany Rees

MEMBERS ABSENT

Matt Layton

STAFF PRESENT

Gina Hirst, City Council Liaison, was excused at 8:05 p.m.
Bruce Cox, Parks and Recreation Director
Hailey Turner, Community Services Manager
Connie Larson, Recording Secretary

MINUTES REVIEW AND APPROVAL

Minutes of the June 13, 2020 meeting were reviewed. Tiffany Rees made a **motion** to approve the minutes as written. Sean Hall seconded the motion, which was passed by unanimous vote (4-0).

PICKLEBALL COURTS CONCEPT PLAN – DISCUSSION

Bruce Cox, Parks and Recreation Director, displayed the Concept Plan for the proposed pickleball courts at the Community Park. There are two estimates from the designer, G. Brown Designs. The first estimate is \$1.8 million, and the second estimate is \$2.23 million. Brant Hansen, City Manager, is requesting the courts be constructed at \$1.2 million or less. The City Council is requesting the Parks and Recreation Committee review amenities that could be removed at this time to lower the cost. Lane Jenkins reported Layton City installed eight pickleball courts at a cost of \$2 million.

Gina Hirst, City Council Liaison, said the City Council thought the courts would cost around one-half million dollars, and that is what has been set aside. Because of the economy and property tax increases, the options would be to bond and take out a loan, but island View Park is not paid for yet. Funding could come from the Capital Fund Expenditures, but this fund is for emergency situations, and the City Council would not use this money for pickleball courts.

The Parks and Recreation Committee reviewed the concept plan for the pickleball courts. Bruce Cox said UDOT will purchase 20-feet of City property for the I-15 expansion, which could help fund the courts.

The Committee agreed the following amenities can be delayed until future funding is available:

- Landscaping
- Irrigation and lawn
- Smaller number of bleachers, but add benches around the courts
- Shade covering for the bleachers
- Concrete paths
- Four restroom building

Bruce Cox, Parks and Recreation Director, explained the federal grant he applied for in the amount of \$400,000 to help pay for the pickleball courts has passed the State requirements, but the Federal government must give final approval. The city will know in the spring if the grant is approved. The project that the grant is designated for must be used within two years before another grant can be applied for. Some of this grant must be used for the new playground equipment at the Community Park. The most expensive items are the restroom and the shade covering for the bleachers. Gina Hirst, City Council Liaison, said the grading to make the courts level with the surrounding ground will cost \$330,000. This is necessary, as most of the pickleball players are elderly people. Hailey Turner, Community Services Manager, said that \$300 was received from the pledges given on July 4th. She suggested sponsorships could be asked from local companies where concrete, fencing, and lighting could be obtained at cost. Lane Jenkins will contact surrounding cities to see how much their pickleball courts cost.

The Committee discussed fundraising in the community and businesses that could be approached for money. The Committee agreed that \$1.5 million is a reasonable amount for the construction of the courts. Bruce Cox said there is a possibility that four more courts could be phased in at some future date for a total of 12 courts. Hailey Turner asked about maintenance costs of the courts. Mr. Cox said there is no additional equipment needed, as there is no extra lawn to maintain. The cost will be in replacing the benches, the nets, and resurfacing the courts when needed. There will be 16 lights needed for the courts.

The Parks and Recreation Committee approved of the Conceptual Plan for the pickleball courts. A member of the Committee will go the next City Council meeting to tell the Council of the Committees recommendations of amenities that can be phased in at a later date. This item will be discussed at the next meeting.

At 8:05 p.m., Gina Hirst was excused from the meeting.

NEXT MEETING

The next Parks and Recreation Committee meeting will be held on Tuesday, November 14, 2023 at 7:00 p.m. at City Hall.

ADJOURN

At 8:10 p.m., Adam Alba made a **motion** to adjourn the meeting. Tiffany Rees seconded the motion, which was passed by unanimous vote (4-0).

Jennifer Robison, City Recorder

Date Approved

RECREATION
COMMITTEE**

Staff Report
3/12/2024

Item No. 2.

Title: Pickleball Courts and Playground Equipment updates

Initiated By:

Staff Representative:

SUBJECT:

RECOMMENDATION:

BACKGROUND:

Message from Bruce Cox:

We met last week with the designers and engineers, and they are just putting together the finishing touches on the electrical detail and a couple of other items to be ready to send the project out to bid this month of March. The plan is to leave the construction time of completion open to this year so to attract contractors that might need some flexibility in scheduling around other projects they have. This means the low bid contractor may want to get started right away in April or they may choose to start in July or August. The only stipulation I have given them is that they will need to work around the July 4th celebration weather, that means getting started and fencing it all off for the 4th or not starting until after the 4th.

After the bids come in the City Council will then decide whether or not to award the bid to the low bidder or one of the other bidders or to wait.

The project will have the shade structures listed as an alternate so when the bids come in, if there is still funding enough for shade structures they could be added into the project, otherwise the footings will be poured with the concrete slabs where the park benches are located and the shade structures will be added as part of a later project with expansion of the parking lot.

Please have the committee look at the playground concept designs from Miricle and other playgrounds and playground activities that they have researched and or experienced and make note of the activities that we want to be sure to include in the Community Park Playground. There are several different commercial playground companies, and they all have some activities that are the same, but they have some that are unique to their company. We can pick and choose if we want to go with a certain item from one company like say a web climbing tower and another activity like a zip line from a different company. We used mostly playground equipment from Sontag at Island view park, but we have playground equipment from Gametime, Playworld and Miracle also around the city. with a quick google search they can find catalogs and videos of

what the different companies have to offer.

Thanks,
Bruce

Jennifer,

This email has three different playground proposals to replace the Community Park Playground from The Garrett Playground Co. Who are the dealers for Miricle Playgrounds.

We can choose to work with one supplier or pick and choose features from different suppliers as they all have some unique features if we want to go that route.

Websites for other Playground Companies are:

[Outdoor Play Equipment | Sonntag Recreation LLC](#) (Landscape Structures)

[Playworld®: Commercial Playground Equipment Manufacturer](#)

[Request online catalogs \(gametime.com\)](#)

Will you please forward this on to the Parks & Rec. Committee to review.

Thanks,

Bruce

Subject: Re: Centerville Community Park

Hi Bruce,

You don't often get email from angela@garrettplay.com. [Learn why this is important](#)

Please see 3 Options for your playground area attached.

Option 1: Fun Sports Option. Swing, Zipline, and Spinners.

Option 2: Ninja Course Option. Most of these items are on our Sale Flyer, so you would have some wiggle room in your budget for site prep or changing things around.

Option 3: Sports Option with Net Climber, Zipline, and a spinner.

Rubber prices do not include the required compacted stone base prep, let me know if you need us to do that, or if you guys are okay to handle that. I've also attached our color charts for the rubber and the playground equipment.

Let me know if you like certain items or not. In my experience, the Zipline, Swings, and Spinners are the most popular pieces at a playground and are requested the most, but the zipline does require a little more maintenance than a climber, so it just depends on your preference. My kids only question when we go to a park is "does it have a zipline?". Which is why I put it in 2 of the designs. Let me know if you like the sports theming. Also, let me know which items you'd like to keep, or if one of the options encompasses exactly what you're looking for. I'm happy to redesign until we get the perfect design for you :)

Thanks,

Angela LeBaron

Subject: Centerville Community Park

You don't often get email from angela@garrettplay.com. [Learn why this is important](#)

Hi Bruce,

I'm putting together some options for Community Park and I'll have those to you by tomorrow :) I'm excited to do designs for these parks as my kids play here all the time while we're at Soccer games and such! I'm letting them have a little bit of input on what they like to play on ;)

Let me know if there's anything specific you're looking for. I'll send the designs tomorrow that I've already laid out, and then I'd love to know your thoughts and I'm happy to re-design or incorporate any items that you for sure want in the designs.

Thanks,

Angela LeBaron

Deposit Required at Time of Order	\$81,613.02
-----------------------------------	-------------

Notice to Proceed / Terms and Conditions

By signing this Estimate and/or paying the required deposit, you authorize Garrett Parks and Play to order the product(s) requested and/or begin site work on your project. Work cannot begin and orders cannot be placed until a signed Estimate and deposit has been received.

Please send the executed estimate to orders@garrettplay.com.

Payment may be made in the form of a check sent to **Garrett Parks and Play, PO Box 57426, Murray, UT 84157** or via credit card (will require a 3% processing fee).

Scope of Work

Price reflects a 20% discount for State Contract Pricing. State Contract #PA 4281. *Price does not include required compacted stone base prep.

Products

We represent many different high-quality recreation equipment vendors and strive to offer you the best selection possible. We will do our best to accommodate any reasonable requests, but keep in mind that any changes to this Estimate after it has been approved and the product and/or services have been ordered may result in additional charges and/or Change Orders. Please send any product condition concerns or warranty claims to orders@garrettplay.com.

Freight

All quotes include freight FOB Centerville unless otherwise noted. After 3/24/2024 this Estimate expires and so do the associated rates. This is because freight rates provided by carriers change

frequently and are only guaranteed for a limited amount of time.

Permits

Unless otherwise stated in this Estimate, you will be responsible for obtaining and paying for all necessary permits, licenses, and any other instruments required to perform the services included in your Estimate. Garrett Parks and Play will fully cooperate with you in the obtaining of any permits and licenses, as necessary.

Offloading

Garrett Parks and Play offers offloading services for an additional charge of \$1,500.00. This is an optional service; if you plan on offloading the equipment yourself, please make sure to have at least enough help available to get the equipment off the truck(s).

Installation

If specified in the above Scope of Work, Garrett Parks and Play will install your products according to project specifications contained in this Estimate and all manufacturers' requirements. All materials needed to complete installation are included in this price. Any changes to your specifications after your Estimate has been signed may result in Change Order(s). Our installation price is based on typical site conditions. By signing this Estimate you agree and acknowledge that if issues arise with installation due to atypical site conditions, including but not limited to buried utility lines, caliche, high water tables, reinforced concrete, etc., the cost to perform this work will increase and will result in Change Order(s).

Warranty Work

Any equipment purchased as a result of a warranty claim will be installed free of charge if the age of the original equipment is less than 5 years. If it is more than 5 years old, you agree and acknowledge that you are responsible for any costs associated with the replacement of the damaged equipment and that Garrett Parks and Play will not provide this service unless explicitly stated in your Estimate.

Demolition

If specified in your Estimate, Garrett Parks and Play will demolish your old recreational products according to project specifications contained in this Estimate. Any changes to your specifications after your Estimate has been signed may result in Change Order(s). Our demolition price is based on typical site conditions. By signing this Estimate you agree and acknowledge that if issues arise with demolition due to atypical site conditions, including but not limited to buried utility lines, caliche, high water tables, concrete, etc., the cost to perform this work will increase and may result in Change Order(s).

Site Work

If specified in your Estimate, Garrett Parks and Play will complete all site work in accordance with the plans, specifications and all applicable laws and regulations. Any changes to specifications required to complete the project after receipt of a signed Estimate may result in Change Order(s).

Playground Post-installation Safety Inspection

At your request, the equipment installed as part of this Estimate can be inspected by a third party inspector after work has been finished to ensure it has been completed according to manufacturer's recommendations and current safety standards. The cost for this service varies on the size of the project and will generate a Change Order or additional invoice if not included in this Estimate.

Standalone Playground Safety Audit

If specified in your Estimate, a third party Certified Playground Safety Inspector (CPSI) will perform a safety audit on playground equipment to identify compliant and non-compliant conditions using probes and gauges to rate playground conditions against current safety standards and guidelines. The audit document will contain hazard priority ratings for all compliant and non-compliant conditions based on predictable results (possibility, probability, and consequence) and provide a basis for these findings. It will also establish repair, removal, and replacement priorities based on the potential for injury to ensure non-compliant conditions are clear and can be corrected in a timely manner.

Invoicing

Garrett Parks and Play uses progress invoicing to ensure our vendors are paid in a timely manner. Please provide an Accounts Payable contact below to make sure these invoices are delivered to the correct person.

Deposit Required at Time of Order	\$64,633.37
--	--------------------

Notice to Proceed / Terms and Conditions

By signing this Estimate and/or paying the required deposit, you authorize Garrett Parks and Play to order the product(s) requested and/or begin site work on your project. Work cannot begin and orders cannot be placed until a signed Estimate and deposit has been received.

Please send the executed estimate to orders@garrettplay.com.

Payment may be made in the form of a check sent to **Garrett Parks and Play, PO Box 57426, Murray, UT 84157** or via credit card (will require a 3% processing fee).

Scope of Work

Price reflects a 20-40% discount for State Contract Pricing. State Contract #PA 4281. *Price does not include required compacted stone base prep.

Products

We represent many different high-quality recreation equipment vendors and strive to offer you the best selection possible. We will do our best to accommodate any reasonable requests, but keep in mind that any changes to this Estimate after it has been approved and the product and/or services have been ordered may result in additional charges and/or Change Orders. Please send any product condition concerns or warranty claims to orders@garrettplay.com.

Freight

All quotes include freight FOB Centerville unless otherwise noted. After 3/24/2024 this Estimate expires and so do the associated rates. This is because freight rates provided by carriers change

frequently and are only guaranteed for a limited amount of time.

Permits

Unless otherwise stated in this Estimate, you will be responsible for obtaining and paying for all necessary permits, licenses, and any other instruments required to perform the services included in your Estimate. Garrett Parks and Play will fully cooperate with you in the obtaining of any permits and licenses, as necessary.

Offloading

Garrett Parks and Play offers offloading services for an additional charge of \$1,500.00. This is an optional service; if you plan on offloading the equipment yourself, please make sure to have at least enough help available to get the equipment off the truck(s).

Installation

If specified in the above Scope of Work, Garrett Parks and Play will install your products according to project specifications contained in this Estimate and all manufacturers' requirements. All materials needed to complete installation are included in this price. Any changes to your specifications after your Estimate has been signed may result in Change Order(s). Our installation price is based on typical site conditions. By signing this Estimate you agree and acknowledge that if issues arise with installation due to atypical site conditions, including but not limited to buried utility lines, caliche, high water tables, reinforced concrete, etc., the cost to perform this work will increase and will result in Change Order(s).

Warranty Work

Any equipment purchased as a result of a warranty claim will be installed free of charge if the age of the original equipment is less than 5 years. If it is more than 5 years old, you agree and acknowledge that you are responsible for any costs associated with the replacement of the damaged equipment and that Garrett Parks and Play will not provide this service unless explicitly stated in your Estimate.

Demolition

If specified in your Estimate, Garrett Parks and Play will demolish your old recreational products according to project specifications contained in this Estimate. Any changes to your specifications after your Estimate has been signed may result in Change Order(s). Our demolition price is based on typical site conditions. By signing this Estimate you agree and acknowledge that if issues arise with demolition due to atypical site conditions, including but not limited to buried utility lines, caliche, high water tables, concrete, etc., the cost to perform this work will increase and may result in Change Order(s).

Site Work

If specified in your Estimate, Garrett Parks and Play will complete all site work in accordance with the plans, specifications and all applicable laws and regulations. Any changes to specifications required to complete the project after receipt of a signed Estimate may result in Change Order(s).

Playground Post-installation Safety Inspection

At your request, the equipment installed as part of this Estimate can be inspected by a third party inspector after work has been finished to ensure it has been completed according to manufacturer's recommendations and current safety standards. The cost for this service varies on the size of the project and will generate a Change Order or additional invoice if not included in this Estimate.

Standalone Playground Safety Audit

If specified in your Estimate, a third party Certified Playground Safety Inspector (CPSI) will perform a safety audit on playground equipment to identify compliant and non-compliant conditions using probes and gauges to rate playground conditions against current safety standards and guidelines. The audit document will contain hazard priority ratings for all compliant and non-compliant conditions based on predictable results (possibility, probability, and consequence) and provide a basis for these findings. It will also establish repair, removal, and replacement priorities based on the potential for injury to ensure non-compliant conditions are clear and can be corrected in a timely manner.

Invoicing

Garrett Parks and Play uses progress invoicing to ensure our vendors are paid in a timely manner. Please provide an Accounts Payable contact below to make sure these invoices are delivered to the correct person.

COMPLIES TO ASTM/CPSC

To promote safe and proper equipment use by children, Miracle recommends the installation of either a Miracle safety sign or other appropriate safety signage near each playsystem's main entry point(s) to inform parents and supervisors of the age appropriateness of the playsystem and general rules for safe play.

THE PLAY COMPONENTS IDENTIFIED IN THIS PLAN ARE IPEMA CERTIFIED. THE USE AND LAYOUT OF THESE COMPONENTS CONFORM TO THE REQUIREMENTS OF ASTM F1487.

AN ENERGY ABSORBING PROTECTIVE SURFACE IS REQUIRED UNDER & AROUND ALL PLAY SYSTEMS

Miracle® uses high quality materials and state of the art manufacturing processes. Commercial playgrounds and products are subjected to years of environmental and solar exposure. Such extreme exposure takes its toll on paints and pigments, and all colors will fade over time. So Miracle® does not warrant against color fading or discoloration. It is important to properly maintain your playground to ensure its longevity. Depending on environmental conditions at your location, the installation of fabric shade structures may help to delay fading and discoloration. Actual colors in catalog may vary due to four color printing process.

**PARKS AND
RECREATION
COMMITTEE**

Staff Report
3/12/2024

Item No. 3.

Title: Movies in the Park discussion

Initiated By:

Staff Representative:

SUBJECT:

RECOMMENDATION:

BACKGROUND:

Movies in the Park Schedule

- Pre-movie activities start at 7:30 pm
- Movies to start at 9-9:15 pm (be there by 8:15/8:30 to set up movie)

We need two committee members per date to volunteer for movie set up and take down. We'd love your help and attendance with the pre-movie activity, but the essential piece is getting the movie equipment set up and ready.

I would like all committee members to attend our last movie in the park night on August 9th and that pre-movie activity if your schedules will allow. Marcel is really all about community, in honor of that, I'd like to recognize each committee member at that pre-movie activity.

- June 14th, Father's Day Weekend Fun
 - Pre-movie activity: Lawn Games
 - Movie: Onward
- June 28th, Birds!
 - Pre-movie activity: Long Wing Bird Show
 - Movie: Migration
- July 12th, Date Night
 - Pre-movie activity: Couples Trivia
 - Movie: 50 First Dates
- July 26th, Princesses in the Park
 - Pre-movie activity: Princess Party with Anna, Belle, and Tiana

- Movie: Beauty and the Beast
- August 9th, Indie Feature Friday
 - Pre-movie activity: Make your own Marcel
 - Movie: Marcel the Shell with Shoes on

Title: Neighborhood Nights discussion

Initiated By:

Staff Representative:

SUBJECT:

RECOMMENDATION:

BACKGROUND:

Neighborhood Nights Schedule

Celebrating Parks and Recreation Month

Wednesdays in July from 6 pm-8pm

- July 10th at Smoot Park
- July 17th at Porter Walton Park
- July 31st at Freedom Hills Park

Would love to have as many committee members as possible attend these and help me out with the activities. Please put them in your schedule. All you need to do is show up at 6 willing to help.
