21
22 Minutes of the October 10, 2023 meeting were reviewed. Sean Hall made a **motion** to
23 approve the minutes as written. Adam Alba seconded the motion, which was passed by unanimous
24 vote (4-0).

25
26 **INTRODUCTION OF NEW MEMBERS**

27
28 Brooke Lewis and Aaron Getz are new members of the Parks and Recreation Committee.
29 Mr. Getz has lived in Centerville for seven years, and he works for Autodesk, a software company.

30
31 **PICKLEBALL COURTS AND PLAYGROUND EQUIPMENT UPDATES**

32
33 Gina Hirst, City Council Liaison, reported the City Council has asked the consultant for
34 the pickleball courts to remove the stadium style seating and replace the seating with regular
35 benches. It is not the intention of the city to have competitions at the pickleball courts, but to have
36 the courts for the community. There will be shade structures provided. Bruce Cox, Parks and
37 Recreation Director, told Adam Alba he met with the design engineers last week, and they are
38 adding the finishing touches on the electrical work. The bid for this project will be sent out next
39 week.

40
41 Sean Hall said he asked his nine- and eleven-year-old sons what they would like to see in
42 a park design, and they said the park should have a zip line. The Committee discussed having adult
43 fitness equipment at the park.

1 Matt Layton said he attends youth football games at the Community Park in the fall, and he is
2 concerned about children from other neighborhoods destroying the playground equipment. Gina
3 Hirst said her children visit a park in Arizona where there is a rope climbing area, and the sun in
4 Arizona is what is damaging to the equipment. It needs to be determined if there is a warranty or
5 maintenance agreement on the playground equipment.

6
7 Gina Hirst, City Council Liaison, said the Parks Master Plan needs to be updated and
8 adopted into the Centerville Master Plan. She will provide the Parks Committee with a copy of the
9 Parks Master Plan.

10
11 Adam Alba will send an email, with a copy to Bruce Cox, of the items the Committee
12 would like to have at the Community Park, which are:

- 13
14 • Zip-line (glide along feature)
15 • Adult fitness equipment
16 • Make certain the pickleball courts and nets are sized properly and that they face
17 north/south.

18
19 **MOVIES IN THE PARK DISCUSSION**

20
21 The Committee discussed that volunteers are needed to help set-up and take down
22 equipment on the night of the movies. At least two Committee members are needed the evening of
23 the movies. The Committee also discussed what to do with the electrical cords that are on the
24 ground, as they are a safety hazard for people who might trip on them.

25
26 Sean Hall said the projector bulbs are very expensive (\$400 each), and if the bulb goes out,
27 the projector will shut down. The Committee discussed purchasing a spare bulb to keep on hand,
28 or purchasing a new projector since the cost of new projectors has gone down. Gina Hirst, City
29 Council Liaison, said she will discuss this item with the City Council at their budget retreat.

30
31 The Movies in the Park for this summer are:

32
33 June 14: Onward
34 June 28: Migration
35 July 12: 50 First Dates
36 July 26: Beauty and the Beast
37 August 9: Marcel the Shell with Shoes On
38

39 Adam Alba will email a volunteer sign-up sheet for Committee members to serve at the
40 Movies in the Park.

41
42 **NEIGHBORHOOD NIGHTS DISCUSSION**

43
44 Gina Hirst, City Council Liaison, said she attended one of the Neighborhood Nights last
45 year, and it was well attended.

There were police officers who attended and visited with the citizens, and people played games. Most of the people who came wanted to know more about the city and visit with staff. This is a good activity for the police officers to meet with young people in a friendly atmosphere.

The schedule for Neighborhood Nights this year is as follows:

July 10: Smoot Park

July 17: Porter/Walton Park

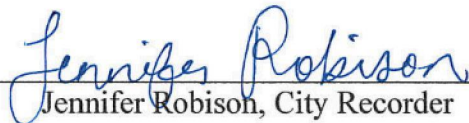

July 25: Freedom Hills Park

NEXT MEETING

The next Parks and Recreation Committee meeting will be held on Tuesday, April 9, 2024 at 7:00 p.m. at City Hall. Gina Hirst said she will verify the rules for Committee members to attend via Zoom.

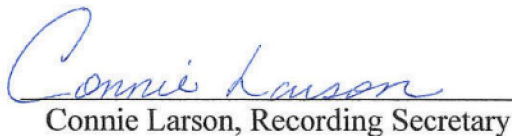

ADJOURN

At 8:00 p.m., Adam Alba made a **motion** to adjourn the meeting. Sean Hall seconded the motion, which was passed by unanimous vote (4-0).
