Jennifer,

This email has three different playground proposals to replace the Community Park Playground from The Garrett Playground Co. Who are the dealers for Miricle Playgrounds.

We can choose to work with one supplier or pick and choose features from different suppliers as they all have some unique features if we want to go that route.

Websites for other Playground Companies are:

[Outdoor Play Equipment | Sonntag Recreation LLC](#) (Landscape Structures)

[Playworld®: Commercial Playground Equipment Manufacturer](#)

[Request online catalogs \(gametime.com\)](#)

Will you please forward this on to the Parks & Rec. Committee to review.

Thanks,

Bruce

Subject: Re: Centerville Community Park

Hi Bruce,

You don't often get email from angela@garrettplay.com. [Learn why this is important](#)

Please see 3 Options for your playground area attached.

Option 1: Fun Sports Option. Swing, Zipline, and Spinners.

Option 2: Ninja Course Option. Most of these items are on our Sale Flyer, so you would have some wiggle room in your budget for site prep or changing things around.

Option 3: Sports Option with Net Climber, Zipline, and a spinner.

Rubber prices do not include the required compacted stone base prep, let me know if you need us to do that, or if you guys are okay to handle that. I've also attached our color charts for the rubber and the playground equipment.

Let me know if you like certain items or not. In my experience, the Zipline, Swings, and Spinners are the most popular pieces at a playground and are requested the most, but the zipline does require a little more maintenance than a climber, so it just depends on your preference. My kids only question when we go to a park is "does it have a zipline?". Which is why I put it in 2 of the designs. Let me know if you like the sports theming. Also, let me know which items you'd like to keep, or if one of the options encompasses exactly what you're looking for. I'm happy to redesign until we get the perfect design for you :)

Thanks,

Angela LeBaron

This sounds great.

I will also show them to our Parks and Rec. Committee to get their thoughts and then I can report back to you.

Thanks,

Bruce

Hi Bruce,

I'm putting together some options for Community Park and I'll have those to you by tomorrow :) I'm excited to do designs for these parks as my kids play here all the time while we're at Soccer games and such! I'm letting them have a little bit of input on what they like to play on ;)

Let me know if there's anything specific you're looking for. I'll send the designs tomorrow that I've already laid out, and then I'd love to know your thoughts and I'm happy to re-design or incorporate any items that you for sure want in the designs.

Thanks,

Angela LeBaron

Miracle® uses high quality materials and state of the art manufacturing processes. Commercial playgrounds and products are subjected to years of environmental and solar exposure. Such extreme exposure takes its toll on paints and pigments, and all colors will fade over time. So Miracle® does not warrant against color fading or discoloration. It is important to properly maintain your playground to ensure its longevity. Depending on environmental conditions at your location, the installation of fabric shade structures may help to delay fading and discoloration. Actual colors in catalog may vary due to four color printing process.

For illustration purposes only. Final color selection should be made from actual rubber samples. No Fault is not responsible for variations of actual product color when compared to the color(s) illustrated on this color chart. The color as shown on the color chart will not be an exact match to the product in the field.

PRELIMINARY DRAFT

Minutes of the Centerville City Parks and Recreation Committee meeting held Tuesday, April 9, 2024 at 7:00 p.m. in the Centerville City Hall Conference Room, 250 North Main Street, Centerville, Utah.

MEMBERS PRESENT

Adam Alba, Chair
Aaron Getz
Sean Hall
Matt Layton, via cellphone

MEMBERS ABSENT

Lane Jenkins
Brooke Lewis
Tiffany Rees

STAFF PRESENT

Bruce Cox, Parks and Recreation Manager
Bryce King, Community Services Manager, arrived at 7:25 p.m.
Connie Larson, Recording Secretary

MINUTES REVIEW AND APPROVAL

Minutes of the March 12, 2024 meeting were reviewed. Sean Hall made a **motion** to approve the minutes as written. Adam Alba seconded the motion, which was passed by unanimous vote (4-0).

PLAYGROUND EQUIPMENT DISCUSSION

Bruce Cox, Parks and Recreation Manager, displayed four catalogs from playground equipment companies. Sonntag Playground Equipment was the company used for the Island View Park. Garrett Recreation has the footprint of the playground area for the Community Park, and they would like to give a bid on the design they are purposing. The playground equipment and pickleball courts cannot be built until the National Parks Service Grant is received. The grant was to have been awarded last September, but it has not been awarded at this time. The grant is for \$150,000, and the city will provide \$150,000 for a total of \$300,000.

If the cost to install the playground equipment is over \$25,000, then it must be sent out to bid, and the city will be the general contractor. Play World has also installed three other playgrounds with Garrett Recreation, and they have been asked to submit a bid. Swings are popular at parks, as schools have removed swings because of liability issues. Most parks are geared towards five-to twelve-year-old children.

At 7:25 p.m., Bryce King, Community Services Manager, arrived at the meeting.

Sean Hall reported at the last meeting he asked his boys what playground equipment they would like at a park, and they both said a zipline. At least half of the playground area needs to be wheelchair accessible. Bruce Cox reported a donation in the amount of \$1,000 was received from Silver Eagle Oil Refinery for a toddlers swing set. Bryce King, Community Services Manager, suggested Committee members talk to their constituents on what amenities they would like to see at the Community Park. A survey could also be conducted on the city's Facebook page. Mr. King suggested Committee members visit the Gray Hawk Park in Layton to see the amenities at this park. Committee members were asked to make a list of amenities they would like to have at the park and bring them to the next meeting.

MOVIES IN THE PARK

Sean Hall will send a volunteer list for Committee members to sign-up to help at the Movies in the Park this summer. Bryce King, Community Services Manager, is continuing to research a new movie projector. Haley Turner is doing the Neighborhood Nights activity in July. This activity takes place at a park, and the citizens are allowed to ask city employees questions. She will be sending a sign-up list for Committee members to help with this activity.

PICKLEBALL COURTS

Bruce Cox, Parks and Recreation Director, reported there will be no shade structure, restrooms, or drinking fountain for the pickleball courts at this time. These amenities can be added at a later date. As soon as the grant is received, construction on the courts will begin. It is possible that 80 parking stalls will be added in the future.

NEXT MEETING

The next Parks and Recreation Committee meeting will be held on Tuesday, May 14th, 2024 at 7:00 p.m. at City Hall.

ADJOURN

At 7:55 p.m., Adam Alba made a **motion** to adjourn the meeting. Sean Hall seconded the motion, which was passed by unanimous vote (4-0).

Jennifer Robison, City Recorder

Date Approved

Connie Larson, Recording Secretary
