MINUTES REVIEW AND APPROVAL

Minutes of the July 18, 2024 meeting were reviewed. Mikael Remington made a **motion** to approve the minutes as written. Sherrae Phelps seconded the motion, which was passed by unanimous vote (6-0).

MAP MARKING SESSION WITH TRAIL SURVEY RESULTS

The Trails Committee was planning to take the results from the Trails Survey and map the top interests that were received from the survey. Brandon Frederico suggested mapping the results in Google or print the map. Mikael Remington will ask Mike Smith to print an 11 x 16 map for each Committee member. The results of the survey will be emailed to each Committee member, and they will mark their map with the results from the survey. The Legacy Trail is County property, and Centerville is not responsible for it.

IMBA DISCUSSION

Brandon Frederico reported he received the Intermountain Biking Association (IMBA) map information from Todd Christensen and Melanie Larsen. He would like to get a map that has the suggested route to walk the section between the Bountiful Gun Range to the Deuel Creek Trailhead. The Trails Committee discussed working with Bountiful on the connector trail to make it go down and away from the Gun Range.

UTILITY COMPANY EASEMENTS

Brandon Frederico reported he and his wife have been hiking in the mountains, and on the Firebreak Road near the Zamoti property there is a trailer and RV parked on the road, which is illegal. It is not known if the vehicles are owned by Aren Zamoti, and there have also been signs posted near the Zamoti property for people to stay off the property. It is not known if Mr. Zamoti has confronted anyone on the property. Property taxes on the Zamoti property have not been paid for nearly four years.

Spencer Summerhays, City Council Liaison, said he will contact Tage Flint at the Weber Water Basin District, to see what she says about bonding issues, and he will also contact the easement owners.

DAY OF SERVICE OPPORTUNITIES

Mikael Remington reported there have been improvements made on the north Deuel Creek Trail, but more improvements need to be done. Spencer Summerhays, City Council Liaison, reported there have been five rescue operations so far this year near the small waterfall on that trail. It is slippery and people fall easily. He suggested asking the Fire Department how to improve this trail to make it safer.

Sherrae Phelps said the Bernard Trail needs foliage cut back and cleared. There is a scout troop that installed a new bridge on this trail four days ago. The Deuel Creek Trail needs a kiosk or trail marker with a tribute to the Nash family who helped with the construction of this trail. There is a hole below the Jurassic Bridge that needs to be filled. Mikael Remington will contact the Trails Committee if there is more interest to help with the trails on September 7th.

MISCELLANEOUS

Spencer Summerhays, City Council Liaison, reported he heard from Nichole Miller on the sale of a piece of property by Sheep Rock.

Brandon Frederico said the road by the Fire Break Road near Sandhill has been cut into, and large boulders have been brought in. It is not known what is being constructed, as this is County property.

Mitzi Gray reported she researched the Rockwood property, and the Rockwood's used to own the property where the trails are for many decades. She heard that Mr. Rockwood is talking about fencing an area above the trails and placing horses there. This would be County property, and it is not known if they would allow this. Also, it would involve the Fire Break Road, and this road cannot be blocked.

NEXT MEETING

The next Trails Committee meeting will be held on Thursday, September 19, 2024 at 8:00 p.m. at City Hall.

ADJOURN

At 9:00 p.m., Brandon Frederico made a **motion** to adjourn the meeting. Sherrae Phelps seconded the motion, which was passed by unanimous vote (6-0).
