DISCUSS TRAILS MASTER PLAN

Allen Phelps displayed a map of the existing and proposed trails in the mountains east of Centerville, which the Trails Committee reviewed. The Trails Committee approved the proposed trails, but would like to add the Bernard Cut-off Trail and Social Pathway Trail that goes up Bernard Canyon. Mark Pearson has been working on the verbiage part of the Trails Master Plan that will be implemented into the General Plan. After the map is approved, it will be implemented into the General Plan.

Allen Phelps requested that all Trails Committee members review the map and bring their comments to the next meeting on December 4th. The Trails Committee will meet again on December 12th to work on finalizing the map, and then meet on December 19th to finalize the map for the General Plan.

MISCELLANEOUS

Mitzi Gray has the courtesy signs ready that were ordered for the Bernard Trail and the trail by the Nash property. The signs also show major trail points and right-of-way areas for sharing the trails. Mitzi will take the signs to Mikael Remington's house. The Mountain Bike Team was going to do maintenance work on the trails but the work was cancelled because of the snow.
