Item No. 1.

Title: Discussion - Prohibition on Fluoridation of Public Water Systems - HB 81 (2025)

Initiated By: Mike Carlson, Public Works Director

Staff Representative: Mike Carlson, Public Works Director

SUBJECT:

Update on disconnection process of the fluoride interculinary water system

RECOMMENDATION:

BACKGROUND:

The Davis County Board of Health approved fluoridation regulations on September 4, 2001, about 8–10 months before Hydrofluorosilicic acid was first injected. In 2025, House Bill 81—sponsored by Rep. Stephanie Gricius and Sen. Kirk Cullimore—was signed into law, prohibiting the addition of fluoride to public drinking water systems in Utah, effective May 7, 2025. The bill also allows pharmacists to prescribe fluoride and directs the Division of Professional Licensing to establish related guidelines.

In response, the city will shut down fluoride injection systems on May 6 and begin distributing non-fluoridated water at midnight on May 7. A physical disconnect will be completed, with required photo documentation submitted to the state. The city will also dispose of 714 gallons of remaining fluoride and begin reconditioning six wells at an estimated cost of \$35,000 annually, while preserving some equipment for possible future use.

- 65 (b) create guidelines that a pharmacist must follow when prescribing a prescription drug
66 or device, including guidelines:
67 (i) for notifying the patient's primary care or other health care provider about the
68 prescription; and
69 (ii) to prevent the over-prescription of drugs or devices including but not limited to
70 antibiotics;
- 71 (c) address when a pharmacist should refer the patient to an appropriate health care
72 provider or otherwise encourage the patient to seek further medical care; and
73 (d) implement the provisions of this section.
- 74 (4) The division shall make rules under Subsection (3) in collaboration with:
75 (a) individuals representing pharmacies and pharmacists;
76 (b) individuals representing physicians and advanced practice clinicians; and
77 (c)(i) if the executive director of the Department of Health and Human Services is a
78 physician, the executive director of the Department of Health and Human Services;
79 (ii) if the executive director of the Department of Health and Human Services is not a
80 physician, a deputy director who is a physician in accordance with Subsection
81 26B-1-203(4); or
82 (iii) a designee of the individual described in Section 26B-1-203.
- 83 (5) Before November 1 of each year, the division, in consultation with the individuals
84 described in Subsection (4), shall:
85 (a) develop recommendations for statutory changes to improve patient access to
86 prescribed drugs in the state; and
87 (b) report the recommendations developed under Subsection (5)(a) to the Health and
88 Human Services Interim Committee.
- 89 **Section 3. Repealer.**
90 This bill repeals:
