25 **DISCUSS PARKS AND RECREATION MASTER PLAN**

26
27 Gina Hirst, City Council Liaison, said the Planning Commission will be meeting on
28 November 12th to discuss the General Plan. She asked the Parks and Recreation Committee to read
29 the General Plan, as it defines the next 20 to 30 years of master planning for Centerville. The
30 previous General Plan was approved in 1995. When the Planning Commission has reviewed the
31 General Plan, it will go to the City Council for approval. Gina Hirst also reported the RAP Tax
32 was approved, which shows that parks and the arts are important to the community.

33
34 Bryce King, Administrative Services Director, said the Parks Survey is done and ready to
35 be sent out. Haley Turner will be asked to do a 20-second video that explains the purpose of the
36 survey. December 1st will be the Christmas lighting ceremony at Smith Park, and advertisements
37 for the survey will be placed at the park, as well as on social media. Bryce King also said the city
38 is trying to get a data list of phone numbers that advertisements, such as the parks survey, could
39 be sent out on a “text blast.”

- 5 3. Enhance Connectivity and Accessibility. (Sean Hall).

8 Gina Hirst, City Council Liaison, suggested comments on the Parks and Recreation
9 General Plan be discussed in a public meeting. Data from the survey could be discussed in the
10 public forum at the City Council meeting on February 3, 2026. The goal is to have the Parks and
11 Recreation Master Plan completed by March of 2026. The Parks and Trails Master Plans need to
12 blend together.
13

14 Gina Hirst also reported she attended a meeting yesterday with the Wasatch Front Regional
15 Council (WFRC) for North Salt Lake, Bountiful, Farmington, and Centerville. This meeting was
16 to discuss a green-way trail from Station Park in Farmington to North Salt Lake. This is an urban
17 type trail that would go along the Frontage Road, turn east on Chase Lane, and then turn south on
18 400 West into Bountiful. The conceptual plan is to have the trail pass through parks and shopping
19 areas. At the present time, the trail would be funded by the cities.
