19 **AIR PARADE AGREEMENT**

20
21 Mayor Wilkinson and Councilmember Ince updated the Council on the planned 4th of
22 July Air Parade. Mayor Wilkinson stated that Bountiful Flight, LLC (dba FLT Academy) had been
23 willing to receive and distribute funds for the planned Air Parade. He reported that the County
24 had offered on June 17th to pay the full \$15,000 for the Air Parade from County tourism funds. A
25 Services and Hold Harmless Agreement between Davis County, Centerville City, and Bountiful
26 Flight, LLC (dba FLT Academy) was subsequently prepared. The Agreement proposed
27 Centerville and Davis County as sponsors of the Air Parade to be organized and operated by
28 Bountiful Flight. Bountiful Flight was to obtain sufficient insurance for the event and to indemnify
29 and hold harmless the County and City.

30
31 The Mayor explained that Bountiful Flight was not willing to sign the Agreement as
32 prepared, and the County was not willing to participate without the Agreement, leaving the event
33 without a funding mechanism. Councilmember Ince commented that Bountiful Flight might be
34 willing to move ahead without County involvement, but insurance would still be required, and the
35 \$1,000 collected from each of the cities would not be enough to pay for both the insurance and
36 the skydivers scheduled to participate.

37
38 Mayor Wilkinson stated he would continue trying to help the event move forward.
39 Councilmember Fillmore asked how the City handled liability with the annual 4th of July fireworks
40 event. Brant Hanson, City Manager, briefly explained special event coverage. Councilmember
41 Fillmore commented that the Air Parade was organized to take the place of the City's traditional
42 4th of July celebration, and suggested Centerville City approve additional funds for the Air
43 Parade and facilitate the event funding through the Centerville Community Foundation. Mr.
44 Hanson responded that the Air Parade would involve far more risk than the annual fireworks
45 event, involving several entities over several jurisdictional boundaries. He commented that if
46 Centerville City paid the bulk of the cost and acted as host, Centerville City would take on the
47 bulk of the liability.

48
49 Mr. Hanson and Lisa Romney, City Attorney, further explained liability, insurance
50 requirements, and the need to have a formal agreement in place. Mr. Hanson stated that an
51 interlocal agreement was needed between the County and all cities involved clarifying shared

liability and responsibility, jointly contracting with Bountiful Flight to provide the service. Each city would need to pay its portion of the cost. Staff stated that, unfortunately, there was not time for such an agreement to take place.

Councilmember Fillmore suggested rescheduling the Air Parade for the evening of the 24th of July. Councilmember McEwan commended Councilmember Ince and the Mayor for their efforts to organize such a unique event. Mayor Wilkinson said several mayors of other cities had messaged him during the meeting indicating their cities would be willing to contribute \$2,000.

The Council discussed trying to coordinate payment and insurance agreements with each of the cities involved within the timeframe available, with the possibility of increasing the revenue for Bountiful Flight. Mr. Hanson said Staff's recommendation was to not proceed with the event. He said another entity (possibly Bountiful Flight) would need to invoice all cities individually, and would need to pay all bills for the event; all cities would need to be listed on an agreement as insured; and Centerville Staff, Utah Local Governments Trust, URMA, and Olympus would all need an opportunity to review the insurance agreement. Councilmember Ince agreed to follow-up regarding insurance. Councilmember McEwan pointed out that Centerville City would still be liable as the organizer. He suggested approving a greater expenditure of City funds (up to the 2020 fireworks budget) to increase the revenue for Bountiful Flight as an incentive for participation in the Services and Hold Harmless Agreement. The possibility of other cities also increasing the amount they contribute was discussed.

Councilmember McEwan **moved** to authorize the Mayor and City Manager to negotiate pricing up to the current budget for fireworks for FY 2021 as a means of incentivizing Bountiful Flight, LLC to accept the Services and Hold Harmless Agreement as written. Councilmember Ivie seconded the motion, which passed by unanimous vote (5-0).

Councilmember Ivie **moved** to authorize the Mayor to sign the Services and Hold Harmless Agreement between Davis County, Centerville City, and Bountiful Flight, LLC. Councilmember Ince seconded the motion. Ms. Romney pointed out that the Agreement did not list all the other cities involved. She suggested revising the Agreement to state that Bountiful Flight would invoice the different cities. She repeated her recommendation that a formal agreement should be involved. The Council discussed how much money might be necessary to incentivize Bountiful Flight to participate.

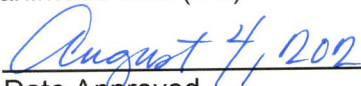

Councilmember Ince made a **motion** to modify the Services and Hold Harmless Agreement between Davis County, Centerville City, and Bountiful Flight, LLC (dba FLT Academy) to reflect payment of \$50,000 to Bountiful Flight, LLC to become the organizer of the event without specifying the exact contributions of each city. Councilmember Ivie seconded the motion, which passed by unanimous vote (5-0).

ADJOURNMENT

At 9:13 p.m., Councilmember Ivie **moved** to adjourn the meeting. Councilmember McEwan seconded the motion, which passed by unanimous vote (5-0).
