1. Centerville City Mayor Wilkinson Determination - Electronic Meetings without an Anchor Location Due to Substantial Health and Safety Risk

In accordance with Utah Code 52-4-207(4) of the Utah Open and Public Meeting Act, I have determined that conducting an electronic meeting of the Centerville City Council with an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location. This determination is based on the facts and circumstances surrounding the COVID-19 pandemic. Considering the continued number of COVID-19 case counts in Utah, meeting in an anchor location presents substantial risk to the health and safety of those in attendance because physical distancing measures may be difficult to maintain at City Hall.
