1. Centerville City Mayor Wilkinson Determination - Electronic Meetings without an Anchor Location Due to Substantial Health and Safety Risk

In accordance with Utah Code 52-4-207(4) of the Utah Open and Public Meeting Act, I have determined that conducting an electronic meeting of the Centerville City Council with an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location. This determination is based on the facts and circumstances surrounding the COVID-19 pandemic. Considering the continued number of COVID-19 case counts in Utah, meeting in an anchor location presents substantial risk to the health and safety of those in attendance because physical distancing measures may be difficult to maintain at City Hall.

Short Title: Parks and Recreation Discussion

Initiated By: Dailee Gardner, Parks & Recreation Committee Chair, Lynn Keddington, Board Member

Scheduled Time:

SUBJECT

Discuss potential funding opportunities and mitigating the wetland area at Community Park for pickleball courts or other park amenities.

RECOMMENDATION

BACKGROUND

The Parks and Recreation Committee would like to propose that the City apply to the Army Corps of Engineers to mitigate the wet land portion of the Community Park Expansion so the land can be used and also, to apply for a land and water conservation fund grant for park improvements including pickleball courts. The matching funds could come from: Park impact fees, the recreation district in exchange for access to run leagues and tournaments, private donations and RAP tax that might be available.
