7 **MUNICIPAL CODE AMENDMENTS – TARGETED RESIDENTIAL PICKETING – CMC**
8 **13.03.110**
9

10 City Attorney Lisa Romney presented proposed Municipal Code Amendments regarding
11 targeted residential picketing. Ms. Romney explained the proposed restrictions, and answered
12 questions from the Council. Councilmember Fillmore questioned the sensibility of the proposed
13 distance limitation of 100 feet from the targeted home, without similar distance limitations to
14 protect neighbors of the targeted home. Mayor Wilkinson asked if the proposed amendments
15 provided enforcement measures that were not already available. Councilmember McEwan said
16 he believed there was a time, place, and manner for protesting to happen, which did not include
17 in front of an individual's private home in a threatening manner. He said he originally requested
18 that Staff look into the issue with a goal of maintaining decorum of both the right of free speech
19 and the right to feel safe in one's own home.

20
21 Chief Child stated individuals would have to be in clear violation of the ordinance for
22 enforcement to occur. He said he agreed with the need to protect residential privacy rights with
23 regards to this issue. The Council discussed potential scenarios with the Chief. Chief Child
24 expressed support for the proposed amendments.

25
26 Councilmember McEwan **moved** to adopt Ordinance No. 2021-01 enacting Section
