MINUTES REVIEW AND APPROVAL

Minutes of the June 13, 2017 Parks and Recreation Committee meeting were reviewed. Tiffany Rees made a **motion** to approve the minutes as written. Kelli Hintze seconded the motion, which was passed by unanimous vote (5-0).

REPORT ON MOVIES IN THE PARK (PETE'S DRAGON, LEGO BATMAN, CROODS)

Committee members reported the Movies in the Park have been well attended. On July 21st, Bountiful City will be doing fireworks at Mueller Park Junior High. This could impact the attendance of the movie the same night (Rouge One) that will be shown.

Kelli Hintze said an extra light bulb for the projector should be provided in case the light bulb burns out, along with instructions on how to change it. Bruce Cox, Parks and Recreation Director, said he has spare bulbs, but it requires tools to change the bulb. Mr. Cox reported he changes the light bulb each year before the first movie is shown. Loren Pankratz and his church group have been providing popcorn at the movies, which has been very popular.

REPORT ON RSL FOOTBALL SITE VISIT

Jon Ruedas reported Bruce Cox, Parks and Recreation Director, and the City Engineer met last Thursday, and it was discovered that the preferred site for the Football court on the northwest section of the Community Park is a designated wetland. The City will research on what is necessary to remove the wetland designation from this section of property. Another site for a Football court would be on the northeast side of the park by the volleyball court.

Mr. Cox said he will see if the Army Corp of Engineers would be willing to trade City property on the west side of the freeway for a designated wetland.

COMMUNITY PARK UPDATE

Bruce Cox, Parks and Recreation Director, explained the new irrigation connection has been made on the west side of the Community Park. The filter is in and ready to connect when the irrigation system is ready. The rough grading for the new parking lot is done, but it is on hold for the All-Star Baseball Tournament that is taking place this week. Within the next month, there will be 140 new parking stalls, and the paved walking path will be extended to the new section. Phase III will hopefully begin next year, which is completion of the irrigation system and laying of the sod.

NEXT MEETING

Tiffany Rees made a **motion** to skip the August meeting, and meet on September 12, 2017. Jon Ruedas seconded the motion, which was passed by unanimous vote (5-0).

The next Parks and Recreation Committee meeting will be held on Tuesday, September 12th at 7:00 p.m. in the Administrative Conference Room at City Hall.

ADJOURN

At 7:40 p.m., Melissa Larsen made a **motion** to adjourn the meeting. Kelli Hintze seconded the motion, which was passed by unanimous vote (5-0).
