Bruce Cox, Parks and Recreation Director
Connie Larson, Recording Secretary

REVIEW MOVIES IN THE PARK

The Committee discussed the End of Summer Bash on August 21st, and agreed it was a great success. It is estimated there were 500 people in attendance. The Committee agreed the electrical cords need to be color coded to make setting up and storage easier. The bounce houses were scheduled from 7:00 p.m. to 9:00 p.m., but the man who came to pick up the bounce houses arrived at 8:45 p.m., and insisted on removing the houses instead of waiting until 9:00 p.m.

Overall, the Movies in the Park this past summer were a great success, and they were well attended. Bruce Cox, Parks and Recreation Director, reported he found another movie company that is less expensive than the movie company we have been using, but they do not have Disney movies. The Committee will consider this company next year when planning the movies. The placing of electrical cords in the ground instead of on top of the ground was discussed. There are problems in the winter with freezing and water for underground electrical cords. Perhaps a single conduit at the beginning of the season could be considered, and then it would be removed at the end of the season. A training night for Committee members on the use of the equipment will be held next year.

DISCUSS PARKS CAPITAL IMPROVEMENT PLAN

Chair Goff reported Mayor Cutler requested the Committee reconsider some of the items on the Parks Capital Improvement Plan. There have been requests to update the Parrish Creek Pond, and consideration of a dog park. The Committee discussed having a dog park, but expressed concern about the liability to the City, and the resources needed to maintain and police a dog park. Mr. Cox will research the costs of maintaining a dog park. The Committee also discussed having a water park feature in Centerville instead of a splash pad, as splash pads are costly to maintain.

PRELIMINARY DRAFT

Centerville City Parks and Recreation Committee
Minutes of meeting
August 25, 2015

Page 2

The replacement and maintenance of existing facilities at the parks need to be prioritized. Mike Smith will be asked to make a poster map of all the parks in Centerville with pictures featuring each park. This map will need to be done before the election in November when the RAP Tax will be voted on.

NEXT MEETING

The next Parks and Recreation Committee meeting will be held on Tuesday, September 22, 2015 if it is needed, and further discussion is required on the Capital Improvement Plan and the visual design of the poster.

ADJOURN

At 8:00 p.m., the meeting was adjourned.

Gary Goff, Chair

Date Approved

Connie Larson, Recording Secretary
