1. Parks and Recreation Committee Chair Dailee Gardner Determination - Electronic Meetings without an Anchor Location Due to Substantial Health and Safety Risk
In accordance with Utah Code 52-4-207(4) of the Utah Open and Public Meeting Act, I have determined that conducting an electronic meeting of the Parks and Recreation Committee with an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location. This determination is based on the facts and circumstances surrounding the COVID-19 pandemic. Considering the continued number of COVID-19 case counts in Utah, meeting in an anchor location presents substantial risk to the health and safety of those in attendance because physical distancing measures may be difficult to maintain at City Hall.

Electronic Meetings without an Anchor Location Due to Substantial Health and Safety Risk

October 2, 2020

In accordance with Utah Code 52-4-207(4) of the Utah Open and Public Meeting Act, I have determined that conducting an electronic meeting of the Parks & Recreation Committee with an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location. This determination is based on the facts and circumstances surrounding the COVID-19 pandemic. Considering the continued number of COVID-19 case counts in Utah, meeting in an anchor location presents substantial risk to the health and safety of those in attendance because physical distancing measures may be difficult to maintain at City Hall.

I hereby authorize the Parks & Recreation Committee to conduct electronic meetings without an anchor location for the duration of this determination. This determination and the reasons stated herein shall be included in the public notice for each Tree Board meeting held electronically without an anchor location and shall be read at the beginning of each meeting. Public notice for each meeting shall also include directions for accessing the online meeting and information on how a member of the public may view or make a comment at the meeting.

This determination shall be effective for 30 days from the date of this determination and will continue to be reviewed and monitored for possible reissuance.
