43
44 Janet Denison, City Recorder, reported Julianne Zollinger and Dailee Gardner need to
45 complete the Open Meeting Training. Julianne and Dailee agreed to complete the training after the
46 meeting.

PICKLEBALL UPDATE AND COMMITTEE SUGGESTIONS

Bruce Cox, Parks and Recreation Director, and Chair Dailee Gardner reported they met with the Community Foundation regarding the proposed pickleball courts at the Community Park. The Community Foundation would be a group of eight to ten citizens from the community who are responsible to raise money for the courts, along with funds from the Land and Water Grant. There is a possibility money from the General Fund could be used. The Parks and Recreation Committee would like to have ten to twelve courts constructed at the Community Park at an estimated cost of \$38,000 each.

Mr. Cox explained ESI will mitigate the wetlands for \$58,000, and the expansion area of the Community Park is not part of the conservation plan, and does not have any grants attached. UDOT also has plans to widen I-15 in the future, which would take 60 feet from the west side of the park and affect parking.

The Committee discussed the placement of the pickleball courts at the Community Park. Mr. Cox said the northeast corner is open space, which will accommodate ten pickleball courts without changing the playground or the sand volleyball court that is already in place. Lynn Keddington said there will be enough courts for pickleball tournaments, and suggested a small restroom be built at the west end of the park. Mr. Cox said there are plans for a restroom north of the small pavilion, which may cost \$100,000. The Committee discussed the impact on parking with the widening of I-15, and if overflow parking should be on the Frontage Road or on 400 West. Mr. Cox said the "T" shaped parking area on the west side could have additional parking added to the north where there is open land. The concept plan will provide more answers of where courts and parking will be located. Jon Ruedas said pickleball is a social sport, and the noise from the freeway could impact courts if they are close to the freeway. He suggested the courts be placed on the east side of the park.

The Land and Water Grant can only be applied for each May, and it takes one year to receive the money once it is approved. The Committee discussed names of possible citizens who could possibly serve on the Community Council for the planning of the pickleball courts.

UPDATE ON RSL COURTS

Jon Ruedas reported he talked with Kyle from REAL Team Management, and he would like to develop the RSL courts. There have been changes in the management of RSL, and it depends if sponsors can be found. Mr. Ruedas will continue to provide updates on the RSL courts.

MINUTES REVIEW AND APPROVAL

Chair Dailee Gardner made a **motion** to approve the October 13, 2020 meeting minutes as amended. Julianne Zollinger seconded the motion, which was passed by unanimous vote (6-0).

1 **MOVIES IN THE PARK**

2
3 Bruce Cox, Parks and Recreation Director, reported the Smith Park is not open for
4 reservations until the end of March. It is not known at this time if Movies in the Park will be held
5 this summer.

6
7 **NEXT MEETING**

8
9 The next Parks and Recreation Committee meeting will be held when it is determined a
10 meeting is needed.

11
12 **ADJOURN**

13
14 At 8:00 p.m., Chair Dailee Gardner made a **motion** to adjourn the meeting. Lynn
15 Keddington seconded the motion, which was passed by unanimous vote (6-0).
